What to do if the food is burnt? (IN THE GAME STEPS)

- 1. Throw the burnt food away in the trash.
- 2. Move to the sink with the pan.
- 3. Put soap on the pan.
- 4. Scrub it with the sponge until it's clean.
- 5. Rinse with water.
- 6. Dry the pan with the towel.
- 7. Restart the cooking process.
